

BASE PAIR/SOAR

# Telemachian Brevis

September 29-October 3, 2008

Volume 2, Issue 5

## Upcoming Group of Five Meetings

10/13/08  
Room UI74

The Group of Five is a euphemism for those involved in the daily management of the Base Pair/SOAR program. It includes UMC faculty and staff, as well as Base Pair/SOAR lead teachers. Other interested parties are welcome.

## Telemachian Brevis

The *Telemachian Brevis* provides a means of communicating items of administrative concern to the Base Pair/SOAR Program. It is updated weekly for Base Pair/SOAR personnel, key JPSD and UMC administrators and others with a need to be aware of program activities.

To unsubscribe, please e-mail Chameka Simmons at:

CCSimmons@rowland.umsmed.edu

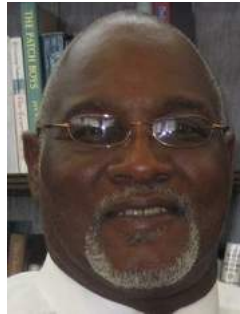

Place "unsubscribe *Brevis*" in the subject line.

Submissions for the *Brevis* may also be submitted to Chameka Simmons via the e-mail above.

## Tragic Loss of Bailey SOAR Teacher

Bailey SOAR teacher Charles Rosser was killed in an automobile accident on Saturday, September 27, 2008.

Mr. Rosser was a new SOAR teacher, but he was definitely not new to the profession. Teachers, administrators, as well as current and former students, speak of his professionalism, dedication and passion for teaching and coaching. He will be missed by many.

## Forest Hill Teacher Contributes to Genetics Website

Jammy Hemphill, a 2008 Muse of Fire Teacher participant and former SOAR teacher, assisted in the development of an online module on the Teach Genetics and Learn Genetics web sites. The web

sites are hosted by the University of Utah. She assisted in the development of the module entitled Amazing Cells.

Please visit the following websites.

<http://learn.genetics.utah.edu/>

<http://teach.genetics.utah.edu/>

<http://learn.genetics.utah.edu/content/begin/cells/>

## JIM Hill SOAR Teacher to Present at MSTA

Susan Bender will present *What's Bugging You: Case Studies in Insect Epidemiology and Microarrays and the Treatment of Cancer*. MSTA will be held on October 20-21, 2008.
