Together for Science Education

The American Heart Association, BCBS and Hypertension Education and Treatment (HEAT) will have booths. The HEAT program at UMC is located at the Jackson-Hinds Comprehensive Health Center on Northside Drive. Literature will be distributed and free blood pressure screening will be provided. Heart walk participants will have the opportunity to recruit donations/walkers at the BCBS booth.

A conflict will prevent the reigning Miss Mississippi from joining us as planned. She will be attending a Miss America function.
